klubfish

Log the catch.
Keep the spot.

_____ is on klubfish.

The shared fishing logbook for you, your friends and your club.

How it works

1. Open the link or scan the code. Nothing to install: it runs in your browser.
2. Sign in with your e-mail address. We send a code, no password.
3. Enter the club code: _____
4. Log your next catch. It takes a few taps and works without signal.

Why we use it

- No more paper catch book and no lost chat photos
- Season ranking and club record build themselves
- Our rules (sizes, closed seasons) at hand in the form
- Your spot stays yours: you decide if others see the exact spot, the area or nothing
